

Brian Simpson – Player

*B*rian passed away in October 1996, just prior to the Candians, he had won the Province that year as well. Brian won a Canadian Championship in the Men's Doubles in 1979 with Harvey Groleau as a partner and again in 1982 with Rick Litman. He won at least 7 Manitoba

Championships. Brian was always a character and you still hear the comment that he is looking at us right now, among players who knew him.
