

Karl Hahlweg – Player

*K*arl won three Canadian Championships in Men's Doubles: 1969 with George Braun, 1970 with Monte Stolar and 1971 with Bob Hekl. Karl would be considered the first Manitoban Shuffleboard player icon. When this big tall fellow stood at the end of the board, he

would try to go around a short puck with his long right reach. He had a very good right hand, would use freehand for his draw. He truly is a very special player and belongs to an elite group of shuffleboard players.
